

Dear families, governors, neighbours and staff,

This week we have been so proud of all our Year 6 children who took their end of Key Stage 2 SATs. As you may have heard on the news, they were very challenging and we were amazed by the resilience, calmness and determination shown by all of the children throughout the week. They had 6 tests over 4 days and each day they came into school ready to show their best. A huge well done to them all. We would also like to say a huge thank you to all the staff who prepared and supported the children in the lead up to this week – all of the teachers and classroom staff, the adults who prepared their breakfast in the mornings and the parents/carers who ensured their children were in school on time every day.

Best Wishes  
The Senior Leadership Team

### Something Wonderful to Celebrate

We praise all the children in school for being **curious, committed, confident, collaborative and compassionate**. This week, the following children have stood out for going above and beyond!

Year 1	Year 2	Year 3
Sebastian and Corin Abigail and Eva Phoenix & Sompa	Imaani & Ned Albie & Hugo Jakub & Rhianna	Magpie & Renaye Milo and Albert Noelle & Ernes
Year 4	Year 5	Year 6
Yachen & Basmat Cade & Jeremiah Alex & Aamina	Khaleb & Jasmine Prince & Aiden Sara & Vittorio	ALL of Year 6

### Packed Lunches

A reminder please to parents/carers who prepared packed lunches for their children that these must **come in with the child in the morning** and not be dropped off during the school day. Also please remember that:

- Only water to drink (no juice, fizzy drinks or flavoured water)
- No sweets or chocolate bars
- No nuts or nut products such as chocolate hazelnut spreads

If a child brings in any of the above into school, parents/carers will be asked to collect them from the school office at the end of the day. Thank you for your support.

### **No mobile phones on school premises**

Please can we remind all families that mobile phone conversations should not take place on school premises. We ask everyone who drops off and collects children during the day to finish their conversation ***before coming through the school gates***. This is so that staff can talk to you if needed, so that you can greet your child/ren and so that everyone is concentrating on collecting the children safely during a very busy time. We are also trying to model to our Year 5 and 6 children that they should not use their phones when in school. Thank you.
