What has been happening this week?

Some of our Eco Council attended The Big Climate Day at the Horniman Museum on Tuesday. They took part in workshops, met other like minded children and bid for funding in an eco version of Dragons' Den. They successfully secured all the funding- £410 for our school eco work. Well done! We are so proud of you!

Reception used the good weather to get stuck into their mud kitchen. Year 1 got into role as the snail from The Snail and the Whale to help with their postcard writing task. Year 2 have created some high quality art work.

The children in Year 3 enjoyed an informative visit to The Good Shepherd Church. Turning solids into liquids using chocolate was a highlight for Year 4 this week. Year 5 explored cam mechanisms in Design Technology and Year 6 have written some emotive speeches about climate change.

What is happening next week?

Next week is Children's Mental Health Week. There will be a special assembly and discussions around this topic in class.

On Tuesday, we will celebrate Internet Safety Day- a very important topic in this digital age. The children will be taking part in an activity during the week to equip them with the skills they need to stay safe online. They will be bringing home a leaflet full of useful information for parents so look out for that in your child's book bag. <https://www.saferinternetday.org/>

Open Classrooms

Come and see your child's work and learning environment on Thursday 8th February. Classrooms will be open between 3.35pm and 3.50pm

Information From the Office

Payments and Permissions: Check WEDUC for upcoming trip payment and permissions

Music: Please make payment for your child's music lesson.

With Measles cases rising in London, Lewisham's Public Health team is monitoring the situation and working closely with healthcare partners to raise awareness and to ensure those who need the vaccination get it. The key message from council and healthcare partners is that two doses of the MMR vaccine provide the best protection against measles, mumps and rubella. If a child has missed one or both doses, their parent or carer should contact their GP practice to book an appointment or visit the NHS website for more information. Walk-in clinics are being arranged and details of these will be publicised to schools and settings.

Fake profiles and cyberbullying

Setting up a profile impersonating somebody else with the intention of being unkind to others/to cause embarrassment to the individual is a form of cyberbullying.

If your child has set up a fake profile, talk to them about how this is a form of bullying and therefore not acceptable.

It is important that we talk to our children about the issue of cyberbullying and let them know that if they are ever a victim of it then it is not their fault, and they should tell you (or a trusted adult) straightaway. Talk to your child about reporting and blocking tools on social media or online games and show them how to use them to report any form of bullying.

You can read more about cyberbullying here:

Additionally, Report Harmful Content have listed how you can report impersonation accounts on the different social media networks here: <https://reportharmfulcontent.com/advice/impersonation/>

Right Respecting - LGBT+ Month

LGBT+ History Month takes place in February each year.

LGBT+ History Month is all about promoting fairness, equality and diversity and raising awareness of LGBT+ people and culture, now and in the past. It aims to give voice to LGBT+ experiences, celebrate achievements and highlight the challenges people still face today. It is also about helping everyone to learn more about LGBT+ culture and history.

Article 2: (non-discrimination) The Convention applies to every child without discrimination, whatever their ethnicity, gender, religion, language, abilities or any other status, whatever they think or say, whatever their family background.

Article 13: (freedom of expression) Every child must be free to express their thoughts and opinions and to access all kinds of information if it is within the law.

Article 17 - access to reliable information Every child has the right to reliable information from a variety of sources, and governments should encourage the media to provide information that children can understand. Governments must help protect children from materials that could harm them.

And remember, at the heart of the UN Convention on the Rights of the Child are the values of dignity, equality and non-discrimination.

Why is it important to listen to, learn from and celebrate people's differences in school and in our community?

- It helps to remind us that we are all unique and should all be treated with dignity.
- It reminds us that everyone has different experiences and everyone has the right to be listened to and express their opinions.
- When our differences are celebrated, we feel valued as people and our health and wellbeing improves.
- It helps all people to feel welcome in school.
- It reminds us that not all families or relationships look the same.
- It helps us to be open and respectful to new ideas about identity.
- We are all learning all of the time and by listening to others we continue to grow and learn.
- So that we can speak up and challenge unfair comments or actions.
- To help ensure that all children and young people's opinions are taken into account when making decisions about them.

At Brindishe Schools, we regularly discuss with children how we celebrate people's differences and how prejudice and discrimination are never tolerated in our schools.

Watch this story about the history of the Pride Flag at home with your child/children. The Pride Flag is a symbol of inclusion and diversity.

Parent/Carer Governor Elections

If you haven't already, please do make sure you have your vote counted for the Brindishe Federation Parent/Carer Governor. On Wednesday this week, all families in our federation community were sent the 8 supporting statements from our nominees and your ballot papers. The ballot boxes will close at 9am on Friday 9th February and we will let you know the outcome of the elections on Monday 19th February.

It is vital that you each parent/carers play their part in this process and has their vote counted.
