## What has been happening this week?

Happy New Year!

A big welcome back to all of our families and children this week and a Happy New Year to you all!

We hope that you have all had a great break and had the opportunity to spend time with friends and family or to do some of the things that you enjoy. The children have come back really enthusiastically this week, ready to get started with their new learning.

In assembly on Monday, we talked about New Year's resolutions and thought about some of the areas of learning that we want to improve in or hobbies that we may want to try. Many children had already thought through their aims for the year and lots had new ideas.

On Tuesday we reminded the children of what an important role our lunchtime playleaders have in supporting their play, helping them in the dinner hall, leading games and indoor activities and keeping them safe. We explored how to speak to the adults in the playground when we may need their help and how we show respect towards others. Our lunchtimes playleaders for both Key Stages are: Mr Jones, Ms C, Ms Rowan, Ms D, Kyle, Katie, Tracey and Ms Yu

## Arriving late for school

We are seeing an increase in the number of children arriving late for school each day who are missing essential learning time at the start of the day. This morning alone, we had almost 40 children arriving late for school, when lessons have already started. In order for us to monitor the children who are arriving late, we will now be asking parents and carers to come into the office with your child and sign our child in late on our electronic system. This may take a few minutes if there are already people waiting, so of course we will ask children to go around to their classroom.

**8:45**

**Please arrive to school between 8:35am and 8:45am**

## Congratulations Molly!

A huge congratulations to Molly, our school cook, who has celebrated 15 years of service within the catering industry for Lewisham. 11 of these years have been at Brindishe Manor.

Molly works incredibly hard to know all of the children's dietary requirements and allergies and always greets the children with a smile and a chat. We are very lucky to have her lead our catering team and want to say a huge thank you for all that she does for the children at lunchtimes.

## Wet Play Games

If you have any board games or card games that are in really good condition, that you might be looking to re-home, please think of us. The children like to have games that they can play with when the weather is wet and we are running low in some of our classrooms. Examples could be...

- Jenga
- Cluedo
- Top Trumps
- Uno
- 4 in a row
- Dobble
- Pop-up pirate

Please bring your contributions to the school office and we can distribute them accordingly.

## Dates for your Diary

Please remember to use the Weduc/Reach More Parents App to find out when any of our key dates are e.g. when school trips are happening, parents and carers evenings and term dates.

# School Meals Spring Term Update

Brindishe  
Federation

At the start of this year the **Mayor** agreed to fund universal **free school meal** provision for all London primary school children.

We have seen a rise in the number of children taking up the offer of a free meal every day, but it is our aim to try and encourage more!

We have therefore decided to trial something new.....

From **Monday 15th January**, we will be letting you and your child **CHOOSE** their meal choice on a **daily basis**.

So, if you choose to have school dinners on a Monday, Tuesday, Wednesday and Thursday and on Friday have a packed lunch, that is fine. The teacher will ask your child each day for their choice when taking the register.

## What are we asking you as parents/carers to do?

We hope, that ALL children, will want school dinners everyday.....

BUT.....if you decide to choose on a daily basis, please ensure your child knows each day if they are having a school meal or a packed lunch. You will need to let your child know what the choice is for each day which can be found on the school website.

IF your child is having a packed lunch, please ensure they bring it to school with them in the morning.

## What if I have a question?

If you want to know more about Radish, school meals, allergy menus etc, please go to the virtual office on the school website.

If you can't find what you are looking for, please contact Clare Doran:

## Attendance Newsletter

Across the Brindishe Federation, we firmly believe that regular school attendance is essential for the educational progress and overall wellbeing of all our pupils. It is about working in partnership with our children, parents, carers and the Local Authority to ensure we set high expectations. We hope that this letter helps you to keep in mind the key aspects of our attendance policy.

### Why does regular attendance matter?

Keeping attendance above 96%, allows your child to:

- Fully engage in learning and make academic progress
- maintain friendships and develop new ones
- Grow in confidence in a supportive and nurturing school environment
- Build a sense of routine and responsibility, essential for future success

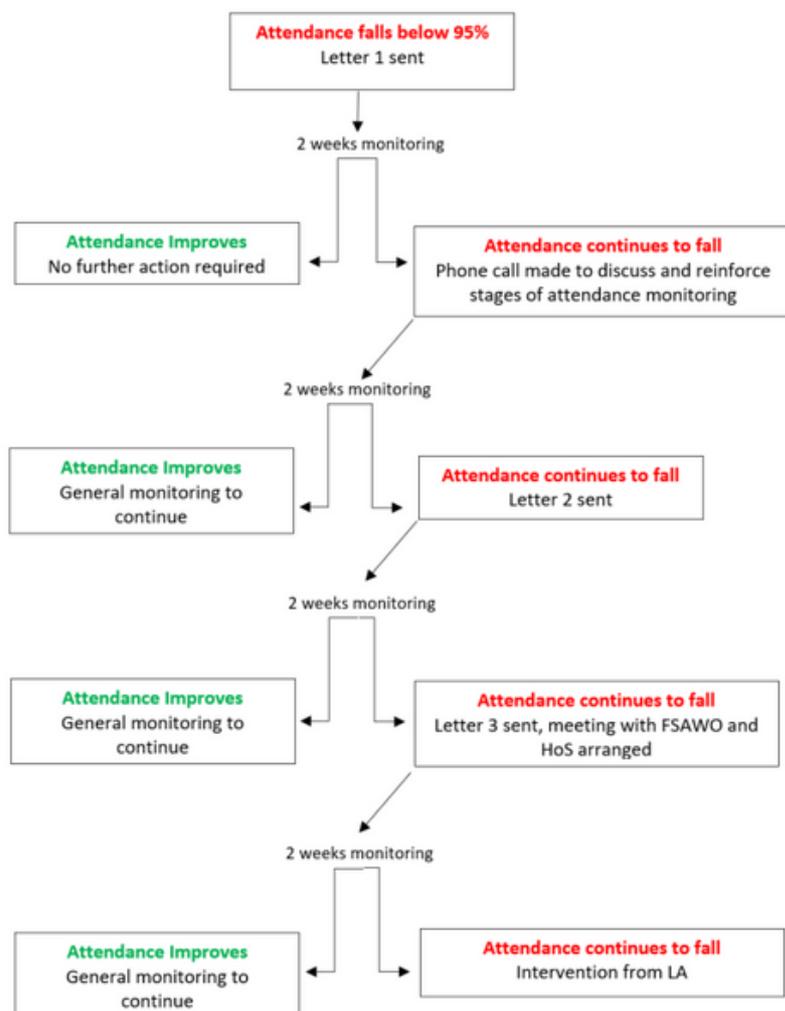

### How do we monitor attendance?

Every fortnight, staff at the school monitor their attendance.

If your child's attendance:

- falls below 95%, you will be sent a letter to remind you of the importance of attendance in school
- continues to fall, a member of staff will call you to discuss your child's attendance
- continues to fall further, you will be sent a letter regarding the loss of learning time
- continues to fall further, you will be invited in for a meeting with the HoS and FASWO
- does not improve, you will be sent a letter from the LA informing you of potential legal procedures including a court warning

### What does a percentage look like in days?

Below shows how your child's attendance can be affected if they are off. We aim for all children to be around 96%.

- 95% (2 weeks) 9 days off in a school year
- 90% (4 weeks) 19 days off in a school year
- 85% (6 weeks) 29 days off in a school year

### What absence will we authorise?

We recognise that there are circumstances where a pupil's absence can't be avoided.

Acceptable reasons for being absent from school include:

- Illness
- Medical appointments: if your child has a medical appointment that CANNOT be scheduled outside school hours, please notify us in advance and provide relevant documentation (e.g. an appointment card)
- Religious observance
- Exceptional circumstances

# Don't forget about Punctuality!

The school registers close, straight after the gate shuts, so being in school on time is very important. Missing the start of a lesson means your child is missing their learning and can be very disruptive and unsettling. Minutes late can also affect your attendance, so make sure your child is in school on time.

## How should you report an 'unplanned' absence?

In the event of an unplanned absence, we request you follow these steps:

- Contact the school: on the day of the absence, please call the school office before 9am and leave a message to inform us about your child's absence.
- Provide a reason for absence: please provide a brief explanation for the absence, such as illness or family emergency, to help us maintain accurate records.

## Can I go on holiday during term-time?

Term-time holidays are generally not permitted during the school year. Absences due to term-time holidays are disruptive to learning and lead to missed opportunities in the classroom.

However, we recognise that there may be exceptional circumstances that require a term-time holiday. In such rare cases, please submit a formal request to the head of school well in advance. The head of school will carefully consider each request and, if deemed appropriate and in the best interest of the child, may grant permission for the term-time holiday.

We emphasise that such instances will only be considered on a discretionary basis, and the decision will be made with the pupil's educational welfare as the utmost priority. We appreciate your cooperation and understanding regarding our approach to term-time holidays.

## Fines for unauthorised absence

The Local Authority/head of school may issue a fine (known as a fixed-penalty notice) for unauthorised absence. If issued with one, you'll need to pay this directly to the local authority – £60 within 21 days, or £120 within 28 days.

The decision whether to issue a fine may take into account factors such as the number of unauthorised within a rolling academic year and one-off instances of irregular attendance.

## What support can we offer?

We understand that some pupils may face challenges that impact on their attendance. Our school's attendance team is here to provide support and guidance to pupils and families in such situations. If you encounter any difficulties related to attendance, please get on touch with either your child's class teacher, a member of the schools SLT team or Clare Doran (FSWAO).

**If you are worried about your child/children's attendance the first port of call is to discuss your concerns with the school directly. Please feel free to contact Clare on 07943 041970**

**A big thank you to for working with us to make sure our children attend school regularly!**

Brindishe Schools are looking to improve and extend their music tuition offer for our children. Currently, we offer a range of music tuition for a variety of instruments and singing, but we are keen to expand this.

Do you know someone who is a self-employed music tutor or a company that can offer a range of musical instrument tuition? If so, we'd love to hear from you.

Please contact Nikki Tatler (Brindishe Schools Procurement Manager) by emailing [NiTatler@brindisheschools.org](mailto:NiTatler@brindisheschools.org).

## Talk Consent Parent/Carer Workshops - Year 5 & 6

As part of the PSHME curriculum around healthy relationships we are inviting speakers from Talk Consent to run an assembly with our Year 5 children and workshops in classes for our Year 6 children from across the federation. The theme will be based on consent. As you will know consent is threaded through our curriculum from Early Years to Year 6 focusing on the importance of setting clear and respectful boundaries so children can build healthy friendships while also building their self-advocacy skills.

As part of this package we would like to invite you a parent talk by Talk Consent. During these sessions they will cover what the children will be learning about and how to discuss these issues with your children at home.

The session will take place on **Monday 15th January 2024 at 7pm** and will be held online. If you would like to join the session, please contact the school office who will send you the link.

If you would like to know more about the sessions and what they involve here is the website of company delivering the sessions: <https://talkconsent.org/consent-workshop/>
