What has been happening this week?

Year 5 have been very busy this week with Bikeability and a trip to Trinity Secondary School for a Year 7 taster day. They enjoyed cooking, trampolining and creating their own band in the music studio!

Outdoor Learning Week has been fantastic! It's been so quiet inside the school, but a hive of activity outside as the children learned science through art with some fantastic results. There is so much wonderful work that we will do a special WEDUC post for you.
