And our Freestyle relay team came 6th out of 24 schools, earning them a special certificate. Well done team!

Our Science Symposium on Thursday was a great celebration of Science Week. Each class presented their investigations and we learned about bird's nests, magnets, filtering, materials and electricity. Congratulations to our poster competition winners! We hope you enjoy your science prizes!

Year 3 had a wonderful time at the Petrie Museum of Egyptian Archeology. They learned about life in Ancient Egypt by looking at artefacts, using their problem solving and observations skills.

Gareth P. Jones inspired us with his songs and stories this morning, helping to enrich our National Year of Reading celebrations. Sincere thanks to F@B for fundraising for this event. The children really enjoyed it!

Reception continued with the reading theme on Friday afternoon by visiting Manor House Library. There were so many books to explore. A great way to end the week!
