What's been happening this week?

The weather certainly was a challenge this week! Our staff team found some creative ways of keeping the children cool. We spent time out on the mound in the shade, we had feet in water and found the coolest parts of our school. Thank you for helping us by sending in hats, water and slapping on the sunscreen. These temperatures are becoming more frequent and we have used this opportunity to help the children understand how to keep cool and safe at school. They now know the rules of a 'hot breaktime' as well as the rules for a 'wet breaktime'!

Apologies for all the cancelled events this week, but we have to keep the children safe. Reception Sports morning, the Cricket Tournament and the visit to the London Square development will all be rescheduled. Sadly, we cannot reschedule the Science Museum for Year 6, or the Year 5 swimming.

Let's hope for some less scorching summer weather next week!

What is happening next week?

Year 5 are off to Brindishe Manor on Monday for a First Aid workshop. It's great to have an awareness of what to do in a situation and we love seeing the children develop their confidence. It can give them an idea for future jobs too!

Year 1 are going to the Maritime Museum on Wednesday to learn all about the Earth in space. Our budding astronauts will love this!

On Thursday Reception will take a trip on the DLR to the Discover Centre in Stratford. Here they will develop their oracy skills and think about how a story is created.

On Friday we have our Pride parade! Each class will wear a different colour and assemble for a parade in the playground to celebrate Pride Month and ensure everyone feels welcome and valued at Brindishe Lee.

Reception – Purple
Year 1 – Blue
Year 2 – Green
Year 3 – Yellow
Year 4 – Orange
Year 5 – Red
Year 6 – Black, Brown, Pink and Light Blue

2026
PRIDE MONTH

Year 6	96.3%	2.88%

POSTER COMPETITION FOR CLEAN AIR DAY!

This week, our Travel Ambassadors led a fantastic assembly to teach the children about the importance of travel choices to support cleaner air. They told us why clean air is so important and shared the results of their pollution survey. They are holding a poster competition to promote better travel choices.

Poster Competition

Design a poster to promote good travel choices for clean air. Use our slogan 'Clean Air Means You Care!' Make it bright and colourful. Prizes for the best posters! Bring your entries into school by **Friday 3rd July**.
