What's been happening this week?

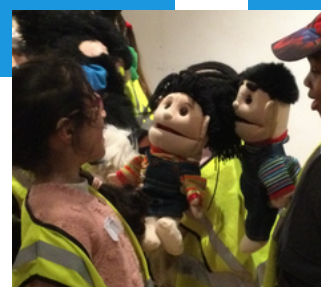

The Horniman Museum was a great hit with Year 1! They loved their workshop on puppets and toys and have been making their own stick puppets in class to use in their play and learning about bees.

We have been following the Artemis 2 mission closely and were disappointed to hear that the launch has been delayed. We will look forward to the March launch window and hope to be able to following this exciting mission.

In assembly on Friday, Max in Year 4 gave a presentation on Junior Park Run. What a great ambassador for this wonderful activity, and well done to Max who has completed 21 park runs- the equivalent of running a marathon! Get involved and go along to the Junior Park Run on Sundays!

We also discussed the Winter Olympics in assembly today! It's the Opening Ceremony at 6.30pm tonight and we will be following the medal table and Team GB successes in assemblies over the next few weeks.

Thanks to everyone who came to the Pancake Breakfast. It was a lovely way to start the day, catch up with friends and enjoy a tasty breakfast. Thank you so much to the wonderful team from F@B for organising the event. It's our AGM soon, so look out for information if you've been inspired to get involved!

What is happening next week?

It is a very busy week! We will be celebrating Children's Mental Health Week with an assembly, class activities and workshops for Year 2 and 3.

Safer Internet Day will also be marked with an assembly and activities in class. Our Book Fair is here! It will be open after school on Monday, Tuesday and Wednesday.

Tuesday 10th February is our **Open Classroom** event after school between 3.40pm and 4.10pm. Come and see your child's learning! Remember to leave enough time to visit the rooms of all your children.

The Scholastic Book Fair will be open in the Atrium on Monday, Tuesday and Wednesday. Help us raise money for books for school by buying a book for home!
