Friday 6th November 2026

What's been happening this week?

A great week of learning for the first week of Autumn 2!

Year 3 experienced a Buddhist Temple on their trip to London Bridge. They were amazed at how beautiful it was and enjoyed learning about meditation. It really made their RE unit memorable and deepened their understanding of this religion.

Year 6 spent a day at the Imperial War Museum making their own documentaries about key aspects of this period in history. Engaging with artefacts and information in this way made their learning meaningful and detailed. Well done for dealing with some transport challenges on the day, Year 6! They had to reroute to the Bakerloop bus when the trains were cancelled, which they did safely and sensibly.

Year 5 have created some spectacular art work linked to their learning about volcanoes, using a range of techniques. The results are really striking!

On Thursday, Year 5 and 6 had a visit from the DigitAll charity to do some great learning about how we can use coding to answer eco- themed questions. They used microbits to solve puzzles about the strength of spider webs and the colour of polar bear fur and skin.

What is happening next week?

It's all about the Year 6 Residential Trip to Cuffley Active Learning Centre next week! The children will leave Brindishe Lee on Monday and return on Friday after a week of fun and adventures. Have a great time Year 6!

Year 3 have a cinema trip on Monday, to learn all about belonging, by watching the film Paddington.

Important Information from the Office

Lost Property to be collected: We will be arranging a charity to collect it on Friday 20th November. There is a lot of it!!!

Bake Sale Containers: Please come and collect your containers. Thank you for the amazing cakes!

Thank you to all the parents and carers who have been calling/emailing in when their child is unwell. It has made a difference.

Well done Year 2 for being on time every day this week! Keep up the good work!
