Headteacher: Ms Maxine Sebire

Brindishe
Lee

Dear families, governors, staff and friends,

Upcoming Events

As we head towards the middle of November, events for the end of term are starting to be planned out, including winter fayres and performances. As a Federation, we are very much looking forward to the children taking part in such festivities and exploring ways in which they can be held both virtually and in person. We know that there is still guidance around the bringing together of people in large groups and as a school we will ensure we do all we can to keep everyone as safe as possible. If an event is planned to be held in person and we feel that it is not safe to do so, we will inform you of the changes to ensure the children can take part in the experience. We appreciate that this may cause some disappointment, but keeping everyone safe is paramount.

Kind regards,
Rachel Waite.

Headteacher's Message

It has been such a lovely week, even with the rain, wind and a brusque lunchtime routine, at times. Watching our children smile, interact and play together has enriched everyone this week.

A few highlights this week include launching our whole school aspirations project with a special assembly. The children also dressed up as their future self and looked fabulous! The discussions occurring across the school about future aspirations and careers was not only interesting but inspiring. Other highlights include, Year 4 having cricket lessons with a well known cricket player/coach who commented on their skill, team work and excellent behaviour. To add to this, today Year 6 enjoyed a trip to Lee fire station as part of the curriculum - keeping everyone safe.

Thank you to everyone who took the time to respond to our online survey last week regarding our new school lunches. There is still time to complete the online survey as your feedback is really important to us as a school and to Radish.

As we are seeing cases rise in our school, in our community, and across London, please can we take this opportunity to remind everyone of the following points to ensure everyone is kept safe.

- If you/your child is showing signs of COVID, ensure that you go for a PCR test
- Inform school if you/your child tests positive for COVID
- If your child tests positive for COVID, ensure they self-isolate for the allocated days
- Try to remember the 'hands, space, face' rule

We hope you have a happy and safe weekend.

Kind regards,
Ms Sebire and the Brindishe Lee Team.

Brindishe Lee is now cashless – REMINDER

Thank you to all the parents and carers who have already made their £20 contribution towards trips and visits for the year. If you are still not sure what this is about, read on....

We sent a letter out a few weeks ago with lots of information regarding our cashless system for our school office. Included in the information we sent details about our £20 annual contribution towards all of your child's trips and visits (excluding residential visits) which you can now pay via Arbor.

Throughout the year children may visit a museum, exhibition, local park, environmental centre, have a workshop in school by a dance company or visit somewhere by coach. We will deduct the cost of the trip/s from the £20 contribution. If you need any support with making your payment online, then please call or email the school office, who will be happy to help.

Book Fair at Brindishe Lee - REMINDER

Great news! The book fair is back with over 200 beautiful books to choose from!

From the 15th to the 17th November, children will visit the book fair in school and create a wish list of books.

They will bring their list home and parents/carers will be able to purchase books online by following the link on the invitation. Please refer to the communication that was sent out this week via Weduc plus the poster listed below for further information. Every book you buy earns free books for our school, so please help us to fill our school with wonderful books!

Breck Foundation – Online Safety - REMINDER

On Monday 15th November 2021, The Breck Foundation will be joining Brindishe Lee offering a range of online safety workshops for children and parents. The Breck Foundation is a charity who work to promote a better understanding of the dangers online, in particular online grooming. They work with children to make safe and respectful choices whilst playing and learning online, and support parents and carers to recognise the dangers being online pose to their children.

Last year, this was offered to Year 6 parents and carers, and was very well received, so this year we are offering it out to all Brindishe Lee families.

"The zoom session from the Breck Foundation was a real eye opener. I've always tried to keep a close eye on what my children are playing or viewing online and this shows how important it is. It was a really powerful presentation and would be useful for all KS2 parents and carers" Year 6 parent
